FOREWORD

In accordance with the provisions of the Dental Law, Act of May 1, 1933, P. L. 216, as amended, Section 3, paragraph (j), the Department of Public Instruction, in cooperation with the State Dental Council and Examining Board, has made an effort to register all licensed dentists and dental hygienists in the State for the year 1955.

Although efforts have been made to insure that this list be complete as of January 23, 1956, the Board cannot assume responsibility or liability in the event of omissions or errors.

It is hoped that each licensed and registered dentist and dental hygienist will aid the Board in perfecting the list and also in spreading information relative to legalized practitioners. This knowledge by the citizens of the Commonwealth will tend to prevent serious consequences resulting from the activities of illegal practitioners of dentistry and dental hygiene. Public announcement in each community of the names of its legal practitioners should be considered as a safeguard to the public.

RALPH C. SWAN
Acting Superintendent
of Public Instruction
